EWB MJCET ANNUAL REPORT 2025-2026

Engineers Without Borders: Engineers without Borders (EWB) – MJCET student chapter has been established in the year 2002 in affiliation with EWB-USA and currently it is affiliated to EWB-India. Its mission is inspired by an urgent concern for accelerating sustainable rural development, assisting in capacity building in backward rural and urban communities of India, protecting the countrys natural resource base and working across national boundaries for social and economic justice and for responsible use of technology.

Faculty Coordinators : Dr. Ishrat Meera Mirzana & Mrs NBV Lakshmi Kumari

Student Governing Body

SNo	Position	Name
1	**President**	Omer Sheik
2	**Vice President**	Mohammed Owais
3	**Secretary**	Azreen Sultana
4	**Joint Secretary**	Mohammed Imran
5	**Treasurer**	Sidrah Tariq

1. International Education Day Organized by EWB India
Date: 22nd January
Venue: Hyderabad Institute of Technology and Management (HITAM)

On the occasion of International Education Day, celebrated on 22nd January, Engineers Without Borders (EWB) India organized an intercollegiate event at Hyderabad Institute of Technology and Management (HITAM). The event aimed to promote awareness about the role of education in building a sustainable and inclusive future, with a special focus on innovation and engineering for social impact.

The event witnessed enthusiastic participation from various reputed institutions, including Cabit, MLRIT, HITAM, and GITAM University. Competitions were held to encourage students to demonstrate their problem-solving skills, creativity, and teamwork.

EWB MJCET ANNUAL REPORT 2025-2026

We are proud to announce that our students, Hyder Affnan and Mohammed Sohel, secured the 2nd Prize, competing among talented participants from across institutions. Their performance was a reflection of their hard work, innovation, and collaborative spirit.

The students were mentored and guided by Ms. NBV Lakshmi Kumari, faculty coordinator, whose support was instrumental in their success.

This achievement brings pride to our institution and stands as a testament to the commitment of our students and faculty towards excellence in both academics and social responsibility. We extend our congratulations to the winners and our sincere appreciation to EWB India and HITAM College for hosting such an impactful event.

PROJECT's

1.Name of the Project: Development of E-lerarning Centers at Government High Schools Project in collaboration with EWB-MJCET & EWB-INDIA

Development and Audit of E-Learning Centers

EWB–MJCET supported the development and monitoring of E-Learning Centers at Government High School Erramanzil, Red Cross Government High School, and Kasturba Gandhi Balika Vidyalaya. A technical audit was conducted on 22 July 2025 to assess infrastructure, utilization, and maintenance requirements.

Key observations included the need for hardware maintenance, appointment of computer instructors, improved power backup, and better utilization of digital learning resources. The initiative aims to bridge the digital divide and enhance access to technology-enabled education.

The audit identified infrastructure strengths and improvement opportunities at Government High School Erramanzil and Red Cross Government High School, Masabtank. Recommendations included repair of non-functional equipment, faculty support, routine maintenance, and expansion of digital learning facilities.

Impact and Outcomes

- Increased awareness of environmental sustainability.
- Enhanced student engagement in green engineering and energy conservation.
- Strengthened community outreach through educational infrastructure projects.
- Improved monitoring and support for E-Learning Centers in government schools.
- Fostered leadership, teamwork, and social responsibility among student volunteers.

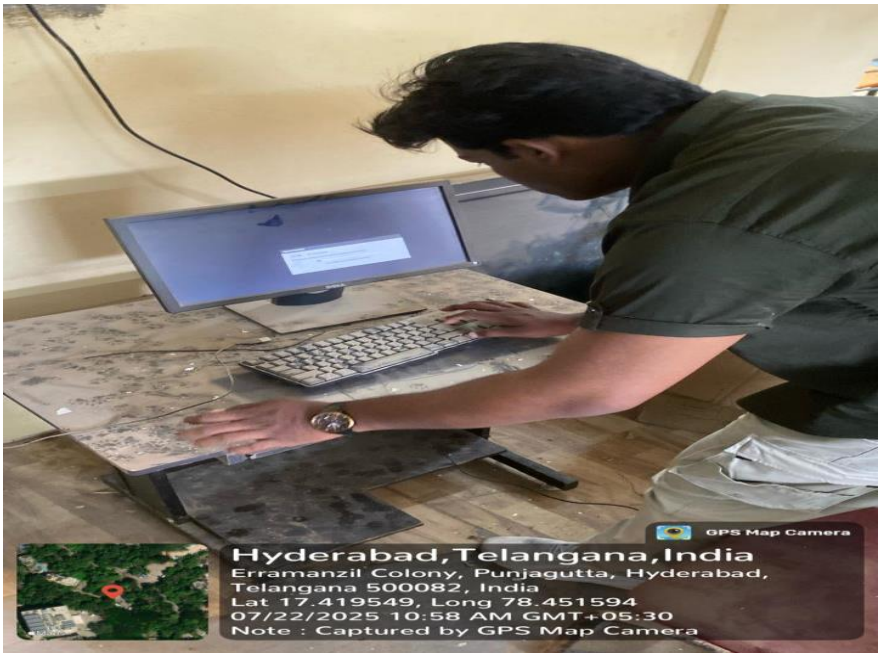

Conclusion

EWB–MJCET continued to contribute towards sustainable development, environmental stewardship, and educational empowerment during 2025. The chapter successfully organized awareness programs, technical challenges, and community initiatives that created a meaningful impact on students and society.
